FHLBank's board shall adopt this Plan at least annually and FHLBank shall publish its current Plan on its website within 30 days after the date of adoption. This Plan includes many of the programs and activities undertaken by FHLBank in the area of community support, but it is not intended to be a complete description of all FHLBank programs and activities directed at enhancing housing and community development.

Purpose

The purpose of this Plan is to set forth the policy and provisions as required by the applicable Federal Housing Finance Agency's (FHFA) regulations. This Plan is established to promote and enhance affordable housing and community development in the Tenth District (the District) by providing loans, grants and other assistance to members to provide financing for eligible targeted community lending at the appropriate targeted income levels, including underserved neighborhoods and communities.

Applicable Statutory and Regulatory Provisions

Applicable provisions of the Federal Home Loan Bank Act (Act) and the regulations of the FHFA supersede this Plan, and any actions taken hereunder shall be consistent with such provisions. The applicable FHFA regulations include but are not limited to 12 C.F.R. Parts 1290, 1291, and 1292.

Scope

This Plan provides the framework and guidance for the following Plan programs and initiatives:

- (1) Community Investment Cash Advance (CICA) Programs, which include:
 - (a) Community Housing Program (CHP)
 - (b) Community Development Program (CDP)
 - (c) Awards, technical assistance and other outreach, including partnerships with federal, state and local housing and community development organizations.
- (2) The Affordable Housing Program (AHP) including Homeownership Set-aside Program (HSP) is a CICA program. The framework and guidance for the AHP and HSP are in the AHP Implementation Plan (IP), which is available on FHLBank's website.
- (3) Affordable Housing Advisory Council (Advisory Council). Per 12 C.F.R. §1291.4, the board shall appoint an Advisory Council of 7 to 15 members. These members shall reside in the District and shall be drawn from the community and not-for-profit organizations that are actively involved in providing or promoting low-and moderate-income housing and community lending in the District.
 - (a) The Advisory Council shall meet quarterly with the board's Housing and Governance committee (HGC) to provide advice regarding how to carry out the housing finance and community lending mission of FHLBank, including but not limited to:
 - Advice on the low-and moderate-income housing and community lending programs and needs in the District, and on the use of AHP subsidies, FHLBank advances, and other FHLBank credit products for these purposes.
 - (b) Prior to its adoption, the Advisory Council shall review the Plan and any subsequent amendments thereto, and provide its recommendations to the HGC.

Definitions

Terms used within this Plan and in all applicable agreements, forms, applications and FHLBank's website shall have the meanings as set forth in Exhibit C of this Plan.

Policy

- I. Market Research.** FHLBank conducts market research using both primary and secondary sources. Primary sources include consultation with members and economic development organizations within the District and consultation with the Advisory Council. Secondary sources include an analysis of materials related to some of the classes of CICA-targeted beneficiaries. Other materials reviewed but not related to CICA-targeted beneficiaries include each District state's Consolidated Plan for Housing as well as Consolidated Plans prepared for larger communities, Census data, publications applicable to the District, rural resources and state and local sources.

In 2019, FHLBank will research FHLBank Members' use of FHLBank's Community Housing Program (CHP) to provide long-term, fixed-rate financing for Low-Income Housing Tax Credit projects at the expiration of Land Use Restriction Agreements.

FHLBank works with the Advisory Council to continually evaluate the needs of the District and how FHLBank programs can be tailored to best meet those needs.

FHLBank shall continue to seek information on opportunities to enhance and promote housing and community development finance from members, nonmember borrowers, the Advisory Council and public and private housing and economic development organizations as part of the ongoing administration of the Plan.

FHLBank reviews the information obtained through this market research, which identifies credit needs and market opportunities for affordable housing and targeted community lending in the FHLBank District. The AHP, CDP and CHP are designed to meet these identified needs.

- II. Technical Assistance and Outreach.** FHLBank offers technical assistance to members and communities to address local needs for affordable housing and economic development. FHLBank shall work with federal agencies, members, local government entities and other interested parties to develop an understanding of local economic development and housing needs, both current and long-term. Technical assistance includes but is not limited to: (1) consulting with the participating groups on assessing and responding to economic development and housing needs, including the identification of organizations that can assist with those tasks; (2) assisting in the identification and documentation of any financing resources applicable to the identified economic development or housing projects (3) promoting the use of FHLBank's products and programs; and (4) devoting a portion of FHLBank's website to CICA Programs. Information is provided on FHLBank's website at <http://www.fhlbtpeka.com>.
- III. Recognition Awards.** FHLBank shall recognize exemplary performance by members in community support activities through the Community Leader Award (CLA) and other recognition awards such as plaques and certificates. These activities include member participation in the HSP, AHP, CHP, and CDP as well as member community support activities not involving FHLBank programs. FHLBank shall include award presentations as part of appropriate FHLBank programs, ground-breaking or ribbon-cutting ceremonies, or other appropriate circumstances.
- IV. Quantitative Targeted Community Lending Performance Goals.** Identified below are FHLBank's quantitative targeted community lending performance goals for 2019:
- Contact 100% of member institutions with program outreach materials.
 - Attend, financially support, or participate in a minimum of three statewide housing workshops conducted by third-party housing organizations.
 - Offer four web-based trainings to enhance understanding of HCD program requirements and benefits.

V. FHLBank Current Programs. Identified below is a list of specific programs included in the Plan.

- A. **Affordable Housing Program.** The AHP, including the HSP, is set forth in FHLBank's AHP IP.
- B. **Community Investment Cash Advance Programs.** These are governed by FHLBank's Member Products Policy.
 - 1) **Community Housing Program.** Under the CHP, FHLBank provides advances to members to finance the construction, acquisition, refinancing or rehabilitation of renter- or owner-occupied housing for households at or below 115% of area median income. See Exhibit A for program information.
 - 2) **Community Development Program.** Under the CDP, FHLBank provides advances to members to extend long-term fixed rate credit for community development, including the finance of qualifying commercial loans, farm loans and community and economic development initiatives. See Exhibit B for program information.

VI. Notifications.

- A. **Notice of Programs to Members.** FHLBank shall provide annually to each of its members a written notice identifying its CICA Programs and other activities that may provide opportunities for a member to meet the community support requirements and engage in targeted community lending. The notice shall also include a summary of targeted community lending and affordable housing activities undertaken by members, housing associates, nonprofit housing developers, community groups, or other entities in the District, that may provide the same such opportunities.
- B. **Community Support Requirement Notice.** On or before March 29, 2019, FHLBank shall provide written notice to all members subject to a community support review. Such notice shall provide notification that members must submit a Community Support Statement (CSS) to the FHFA on or before October 31, 2019. FHLBank shall also provide notice to its Advisory Council and to interested nonprofit housing developers, community groups, and other interested parties, and include a notice on its public website, of the opportunity to submit comments on the community support programs and activities of members, with the name and address of each member within its District subject to community support review and the deadline and FHFA contact information for submission of any comments to the FHFA. FHLBank will promptly notify the member of FHFA's determination regarding the member's CSS. If the FHFA determines the CSS to be unacceptable, the member's access to long-term advances (credit with a term to maturity greater than one year) will be restricted. In addition, a member subject to a restriction by the FHFA to long-term advances is not eligible to participate in FHLBank's CICA programs or in the AHP or HSP. The restriction does not apply to CICA or AHP applications or funding approved before the date the restriction is imposed.

VII. Diversity and Inclusion.

Any such revisions shall be submitted for review by the Executive Team and approval by the President and CEO, submitted to the Advisory Council for review and its recommendations and then submitted for review and approval by the HGC and the board.

EXHIBIT A

Community Housing Program (CHP) Advances

The CHP is a special advance program authorized by 12 C.F.R. Part 1292 (the CICA regulations). The CHP provides wholesale loans (advances) priced below FHLBank's regular advance rates to help members finance owner-occupied and rental housing in their communities.

PROGRAM OBJECTIVE

To finance the construction, purchase, rehabilitation or refinance of owner-occupied and rental housing occupied by or affordable to households earning up to 115 percent of area median income (AMI).

COMMON USES

- Financing construction, rehabilitation, or purchase, or to refinancing existing loans;
- Purchasing a participation interest, or providing financing to participate, in a loan consortium for CHP-eligible housing projects;
- Making loans to entities that, in turn, make loans for CHP-eligible housing projects;
- Purchasing mortgage revenue bonds or mortgage-backed securities, where all of the loans financed by such bonds and all of the loans backing such securities, respectively, meet the eligibility requirements of the CHP;
- Creating or maintaining a secondary market for loans, where all such loans are mortgage loans meeting the eligibility requirements of the CHP; and
- Purchasing Low-Income Housing Tax Credits.

TERMS AND CONDITIONS

CHP Advance Products

- Regular fixed rate advances
- Callable advances
- Amortizing fixed rate advances
- Adjustable rate advances

Required Documents

A complete CHP application, including identified loan(s), must be submitted to FHLBank's HCD department for confirmation of eligibility. The HCD department will review the member's application prior to approval to ensure the following: identified loan(s) match project type, are consistent with program requirements, and do not include loan(s) to individuals or entities listed on FHLBank's Suspended Counterparty List. Projects involving refinancing of loan(s) previously funded with the CHP may not be combined with new loan(s) or projects. The application review is not a competitive process or subject to limits on the amount of funding available. An application may be obtained from FHLBank's website at <http://www.fhlbtpeka.com>.

When completing the application, members may request approval for a specific project or loan to be originated three months prior to or three months after application submission for CHP-qualified homebuyers or rental projects. In the event that a member must provide either a substitution or additional note(s) to ensure project compliance, the substitution or additional note(s) will be accepted only after submission to and approval by the HCD department.

Limitations

Members must comply with FHLBank's credit procedures as identified in the Credit Guidelines section of the Member Products and Services Guide. CHP advances cannot be used to finance any direct activity of the member or an affiliate of the member. Members are precluded from using CHP advances for their own benefit. The minimum amount of a CHP advance is \$10,000. Members will not be approved for CHP advance funding for any loan secured by property to be used for any marijuana-related business.

FHLBank shall not allow a member that is subject to a restriction by the FHFA of access to long-term advances (greater than one year) to participate in the CHP. This restriction does not apply to CHP applications or funds approved before the date the restriction was imposed.

Failure on the part of a member to supply any requested documentation may result in the member being restricted from access to FHLBank's AHP, HSP, CHP, and/or CDP.

Advance Draws on Approved CHP Application

Members may request draws on an approved CHP application by contacting the Lending department. Multiple CHP advances may be drawn on a single project for up to the approved CHP application amount. Members are not committed to taking the full approved CHP application amount; however, any unused approved CHP application amount shall expire 12 months from the date of the CHP application approval.

Qualifying Criteria

Single- and multi-family housing projects must meet one of the following CHP income qualifications:

- Owner-occupied units that are or shall be occupied by households with incomes at or below 115 percent of the AMI for a three-plus person household utilizing Mortgage Revenue Bond income limits; or
- At least 51 percent of rental units that are or shall be occupied by households with incomes at or below 115 percent of the AMI for a four-person household utilizing HUD income limits; or
- At least 51 percent of rental units must have rents affordable to households at or below 115 percent of the AMI for a four-person household utilizing HUD income limits. Rent is affordable if it is less than 30 percent of 115 percent of the AMI. For example, a project located in a county for which 115 percent of the AMI equals \$32,000; the maximum CHP-qualified rent is \$800 ($\$32,000 * 30\% / 12 = \800).

Rate

CHP advances are priced at FHLBank's cost of issuing consolidated obligations of comparable maturities, including concession costs, plus a reasonable allowance for administrative costs. Callable, amortizing and adjustable rate CHP advances are priced in a similar manner using market interest rates applicable to FHLBank obligations of comparable maturities and call features. CHP advance rate pricing must be applied on the date the advance is issued. CHP pricing cannot be approved for advances obtained by the member prior to approval of the CHP application. Members may establish the customer's loan rate above the CHP rate based on market rates or commitments to their customer.

If FHLBank determines that a member is not complying with the terms, conditions or regulations of the program, the interest rates on the outstanding CHP advances may be changed, as applicable, to (1) the regular fixed advance rate in effect at the time of the original funding; or (2) a rate based on the index, as adjusted based on current interest rates, and the regular pricing spread in effect at the time of the original funding. Members will be given the opportunity to appeal such determinations before FHLBank implements any rate adjustment.

Principal and Interest

Normal principal and interest collection applies. For details, refer to the specific advance program.

Term

CHP advances are available in maturities from four months to 30 years.

Prepayment Option

Normal prepayment fees will apply to CHP advances. For details, refer to the specific advance program.

Collateral

CHP advances must be fully collateralized at the date of issuance and at all times thereafter. Refer to the Collateral Guidelines section of the Member Products and Services Guide for more information.

Documentation

FHLBank requires members to certify that each project funded under the CHP meets the respective targeting requirements of the CHP. Such certification shall include a description of how the project meets the requirements, and where appropriate, a statistical summary or list of incomes of the borrowers or rents for the project. For CHP-funded projects receiving funds from another targeted Federal economic development program that has income targeting requirements that are the same as, or more restrictive than, the targeting requirements of the applicable CHP, FHLBank shall permit the member to certify that compliance with the criteria of such Federal economic development program shall meet the requirements of the respective CHP.
